CastineKayak.com ~ 207-866-3506

The Frank Kneisel Youth Kayaking Recreation Week

Dates: June 24-28, Monday-Friday

Time: 4 pm - 6 pm

Ages: 8 yrs and up

Price: \$100 *scholarships available through the Hatch Foundation

This summer paddling program is the perfect opportunity for youth to get their paddles wet and sample what it's like to kayak by experiencing Castine from the water! We'll play lots of water games while building kayaking skills and friendships! Collaboration and team building will be promoted with more experienced paddlers assisting those new to the sport!

Kids in Kayaks

Dates: Wednesdays in July (July 10, 17, 24, 31)

Time: 8:30 am - 11:30 am

Ages: 8 yrs -12

Price: \$100 *scholarships available through the Hatch Foundation

During this four session program, campers will learn how to paddle efficiently, re-enter a capsized kayak, and avoid capsizing altogether! This experiential camp will have your campers enjoying the company of friends while exploring the environment that surrounds them from the water.

Teen Kayak Camp

Dates: July 16, 18, 23 and 25 (Tuesdays and Thursdays)

Time: 8:30 am - 11:30 am

Ages: 12 yrs and up

Price: \$150 *scholarships available through the Hatch Foundation

In this four session program, your teen will safely learn the ins and outs of kayaking while on the currents of Castine! Through games and challenges, this skills-based program will move through beginner skills and quickly progress through intermediate rescue skills. This class will give your teen the bug for the exciting and healthy sport of sea kayaking!

Kids in Kayaks End of Summer Day Camp!

Dates: Aug 26-30 (Monday- Friday)

Time: 8:30 am - 3 pm (Bring your lunch to enjoy on an island each day!)

Ages: 8 yrs and up

Price: \$375 *scholarships available through the Hatch Foundation

Ring out the final days of summer with hands-on fun in a kayak! Each day will be full of games and challenges to enhance each camper's individual kayaking skills. We will paddle to scenic Castine locations while learning about the marine environment, island habitats, and positive ways we can interact with nature!
